On June 15, 1970, CHARLES RUFF, Attorney, United States Department of Justice, advised information had been received from a confidential source to the effect that [REDACTED] had hired a private detective by the last name of [REDACTED] to install wire taps on the telephone of the United States Attorney in Anchorage and space used by the Department Attorney during a trial involving the [REDACTED] matter, in January, 1970. According to the confidential information [REDACTED] had been paid some \$4,800.00 from Teamsters Union funds with which to purchase the necessary equipment to install wire taps. It was not indicated that the telephones in the Federal Bureau of Investigation space had been tapped.

b6
b7C

It was not indicated that the telephones of the United States Attorney and the space which would be used by Department Attorneys in the current trial of [REDACTED] had been tapped; however, Mr. RUFF requested the telephones be checked to determine if wire taps had been installed.

The Anchorage Police Department forwarded Fingerprint Card of [REDACTED] to the Identification Division of the Federal Bureau of Investigation, which was returned stamped "no arrest record located". The files of the Anchorage Police Department contain no arrest record for [REDACTED]

b6
b7C

On June 15, 1970, a telephone security check was made of the offices of the Federal Bureau of Investigation, Anchorage, Alaska, and the space utilized by the Department Attorneys in the United States Attorney's Office, Anchorage. No wire taps or clandestine listening devices were located and there was no indication such had been installed.

Unless advised to the contrary, no additional investigation is contemplated with respect to this allegation.
